

# Professionalism and Accountability

<b>Overview</b>	<p>How you act as you go about your duties as a doctor – and also in the course of your personal life – is essential to the job you do.</p> <p>This talk highlights how professionalism applies to doctors. If you're unfortunate enough to have your professionalism called into question you may find yourself accountable to those who set the standards.</p> <p>The session includes case scenarios and statistics on Fitness to Practise hearings to highlight the main teaching points.</p>
<b>Topics covered</b>	<ul style="list-style-type: none"> <li>■ The role of the GMC</li> <li>■ What is Professionalism</li> <li>■ Background to the current context</li> <li>■ Case based statistics</li> <li>■ Good Medical Practice</li> <li>■ Honesty and trustworthiness</li> <li>■ Fitness to Practise</li> <li>■ Use of social media.</li> </ul>
<b>Who should attend?</b>	F1/F2 doctors
<b>Duration</b>	60 minutes

<b>Presenter</b>	This talk is provided by your local MPS representative. All MPS presenters are quality assured.
<b>Proof of learning</b>	All attendees will receive a certificate of attendance, including a summary of the topics covered, for inclusion in their portfolios.

**Booking a session**

For more information on the teaching sessions, or to book a session in your hospital, please contact the local representative for your region.

These talks are provided free of charge to hospitals in the UK, and as a result demand is often high, so we recommend contacting us as soon as you have a date in mind.

**MPS Education and Risk Management**

MPS is committed to the education and development of members and other healthcare professionals and has therefore developed a range of education and risk management programmes.

Through education we believe we can reduce healthcare professionals' exposure to complaints and improve patient safety.

For more information on the complete range of education available, please visit: [www.mps.org.uk/education](http://www.mps.org.uk/education)
