Section 1 - Medical Protection existing member confirmation and consent for Practice Membership

Please list and provide practice information for the current Medical Protection GP members to be included in Practice Membership and ask each to sign overleaf to confirm their details and agreement.

By signing each signatory confirms that they:

Have checked and confirm that the information regarding their practice information is correct and will promptly inform Medical Protection of any change to their personal circumstances, scope of practice or other details (including in relation to income and number of hours worked).

- Consent to their membership being transferred to Practice Membership.
- Understand that their personal Medical Protection membership will be retained but:
 - Their membership subscription renewal date will be brought in line with that of the practice and this may affect their current subscription payment schedule
- The membership correspondence address will be changed to that of the practice and membership documentation may be shared with the practice administrator
- Authorise and agree that Medical Protection and the practice administrator may share information in respect of their membership and authorise the
 practice administrator to provide details of any changes to their scope of practice.
- Agree that Medical Protection may seek information from other professional defence organisations, insurance companies, employers or other third
 parties in respect of membership and that they may release to MPS such information.

Personal Information and Data

When interacting with Medical Protection, members may choose to give Medical Protection information about your criminal convictions and offences (including alleged offences), your health, race, ethnic origin, sex life, sexual orientation and trade union membership ("Special Category Data"). This happens where that information is relevant to membership or the actual or potential provision of advice, assistance or indemnity. We may also receive Special Category Data about members from others in connection with membership or advice, assistance or indemnity (eg from a complainant, claimant, witness, expert, court or regulator). We ask for members' express consent to process their Special Category Data. Members may withdraw consent to such processing by contacting Medical Protection, but if they do so we will no longer be able to provide them with membership and its benefits.

To find out more about how we collect, use and handle your data including Special Category Data, please see the privacy statement on our website **medicalprotection.org**
